

Wall lamp

## ELEMENT – 222570232

incl. 1x SMD, 3W · 1x 220lm, 3000K

incl. 2x SMD, 1,5W · 2x 150lm, 3000K

- **Switch**
- **Separately switchable**
- **Recharging USB connection**
- **Wallmounting**
- **IP20**
- **Indirect lighting**
- **Not dimmable**

Timeless and minimalist. The ELEMENT wall light has a simple and elegant design. The light measures 20 x 16 cm and has two light sources that can be operated separately using integrated switches. The ELEMENT reading light can be individually aligned and is therefore ideal as a wall light next to the bed. The wall light also has a shelf and a USB port with charging function so that electronic devices can be easily stored and charged at the same time. Furthermore, thanks to the FLEXconnect feature, the light is suitable for both fixed connection and use with a plug lead. The simple matt black colour scheme underlines the modern character of the luminaire and can be integrated into numerous colour concepts. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

### Material construction

Metal - Black mat

### Product dimensions

Width: 16cm  
Height: 20cm  
Weight: 1kg

### Technical data

Light source: SMD – LED (integrated)  
Watt: 3W  
Lumen: 1x 220lm  
Kelvin: 3000K  
Color rendering (CRI): > 80 CRI  
Lifetime: 30000H  
Switching cycles: 20000x ON/OFF  
  
operating voltage: 230V ~ 50Hz  
Protection grade: 2  
IP classification: IP20

### Dealer information

EAN Code: 4017807399882  
Customs number: 94051190900

### Packaging dimensions & weight

Quantities: 1

Width: 17cm  
Height: 21,5cm  
Depth: 15cm  
Weight: 1,2kg
