

Wall lamp

BELFAST – 275510231

incl. 2x SMD LED, 10,5W · 2x 1100lm, 4000K

- Dimmable via switch
- Not suitable for external dimmer
- Wall- & ceiling mounting
- IP20
- Indirect lighting
- 4000K

Create a modern and harmonious living environment with the decorative lamps of the BELFAST series. Pleasant lighting accents are set by the wall luminaire's indirect lighting, creating a cosy atmosphere. In addition, the luminaire is equipped with a SWITCH dimmer, thus enabling the brightness to be dimmed from 100% to 50% and 25% via a conventional light switch. The matt white design imparts a modern appearance and allows easy integration into existing furnishing concepts. The lamp also features a modern LED technology, which is characterised by excellent lighting quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and are environmentally friendly.

Material construction

Metal · White mat

Product dimensions

Width: 60cm
Height: 30cm
Weight: 0,825kg

Technical data

Light source: SMD – LED (integrated)
Watt: 10,5W
Lumen: 2x 1100lm
Kelvin: 4000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF
