The MARLEY pendant light is not only practical in form and function, but one thing above all: simply beautiful! The light has a discreet design and impresses with its high-quality workmanship. Whether in the kitchen or in the living area: the four-light MARLEY is versatile and can be easily combined with different furnishing styles. The pendulum is designed in the colour antique brass and can therefore stylishly complement and complete modern colour concepts. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
