A real eyecatcher! The minimalist design of the CONNOR pendant luminaire skilfully puts your living space in the limelight. The luminaire comes into its own particularly well when used in a linear, minimalist or modern interior design style. Positioned centrally above the living room or dining table, the 8 light sources of the luminaire provide optimal lighting conditions. The timeless colour design in matt black offers a wide range of possible combinations. The use of an LED light source is recommended for energy-saving lighting. These are an excellent alternative to conventional halogen lamps and represent a high quality of light together with energy savings of up to 80%. With LED lighting, you also benefit from a long service life and low heat generation, while at the same time protecting the environment.
