Timeless, simple and yet characteristic. The modern CLAYTON pendant lamp attracts all eyes with its combination of a noble glass shade and dark metal. The round shape of the glass shade emits the light in a special way to its surroundings, creating a cosy atmosphere. Placed above the living room table or centrally above the dining table, the luminaire comes into its own and creates new favourite places in your home. The glass in chrome vapourised in combination with black matt metal fits effortlessly into every living style and colour concept and can be combined well. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
