

Pendant

CAFU – 323210442

incl. 1x SMD LED, 28W · 1x 2800lm, 3000K

- **Up and Down lighting**
- **Dimmable via switch**
- **Ceiling mounting**
- **Not suitable for external dimmer**
- **IP20**
- **Adjustable in height**

The CAFU pendant luminaire impresses with its minimalist design while providing pleasantly soft light. The luminaire is a striking eye-catcher that perfectly complements the interior design when properly set in scene. The 106 cm wide pendant luminaire goes particularly well in the living area, where it is best seen as the central element. In addition, the luminaire is equipped with a SWITCH dimmer, thus enabling the brightness to be dimmed from 100% to 50% and 25% via a conventional light switch. Up and down lighting creates lighting effects that generate a cosy and pleasant atmosphere in the room. Thanks to the modern anthracite colour scheme, the luminaire can be combined with many interior design styles. The lamp also features a modern LED technology, which is characterised by excellent lighting quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and are environmentally friendly.

Material construction

Metal - Anthracite

Product dimensions

Width: 106cm
Height: 150cm
Depth: 8cm
Weight: 1,72kg

Technical data

Light source: SMD – LED (integrated)
Watt: 28W
Lumen: 1x 2800lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF
