

Pendant

MORRISON – 323610332

incl. 1x SMD LED, 56W · 1x 6800lm,
2300+3000+4000K

- Dimmable via switch
- Ceiling mounting
- IP20
- Adjustable in height
- Colours directly adjustable at the lamp
- Not dimmable

The pendant luminaire MORRISON presents itself puristic and absolutely modern. The three light rings of different diameters make the luminaire an eye-catcher that inspires. Three light colours (warm, neutral, daylight white) can be preset via DIP switch. In addition, the brightness can be regulated by means of a SWITCH dimmer using the conventional light switch. In matt black, the luminaire perfectly rounds off modern living concepts. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Metal · Black mat

Product dimensions

Width: 90cm
Height: 150cm
Depth: 50cm
Weight: 3,1kg

Technical data

Light source: SMD – LED (integrated)
Watt: 56W
Lumen: 1x 6800lm
Kelvin: 2300+3000+4000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF
