

Pendant

HOTEL – 393900317

excl. 3x E27 · max. 42W

- **Lamp(s) not included**
- **Adjustable in height**

Whether in the private or contract sector - luminaires with textile shades create an atmospheric and cosy ambience. Especially in the living area, the three-lamp pendant luminaire HOTEL comes into its own. The light is gently emitted into the surroundings via the fabric shades, creating a cosy atmosphere. The fabric shades in white, black and grey together create a harmonious combination that can be used in a variety of ways. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
