The beautifully shaped and colour-coordinated NANDOR floor lamp blends perfectly into modern and classic interiors. The elegant fabric shade is combined with a curved lamp base to create a harmonious overall look. The lamp base has integrated LED bulbs and can be switched separately from the lampshade with E27 socket. The LEDs in the base can be switched on and off via a 4-way touch and switched to three brightness levels. The 160cm high floor lamp impresses with the best possible lighting result for reading a book and relaxing with friends or as a decorative element in your living space. The black fabric shade together with the curved gold lamp base create a modern colour combination that looks timeless and elegant. The use of LED light sources is recommended for energy-saving lighting. These are an ideal alternative to conventional halogen light sources and offer high light quality and energy savings of up to 80%. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment. The luminaire also has permanently installed LED technology, so that you benefit from the advantages of modern technology, just like with the light sources.
