

Ceiling lamp

TRAY – 640910132

incl. 1x SMD, 29W · 1x 3550lm, 3000K

- **Externally dimmable**
- **IP20**
- **Tiltable**

A timeless design with clear and elegant lines reflects the TRAY series. The ceiling light enriches your home with tasteful simplicity in pure colours as well as with its versatile application possibilities. The luminaire can be tilted individually to create optimal lighting conditions, just as you need it. In addition, the luminaire can be infinitely dimmed with an external light controller, allowing you to adjust the light intensity to your liking. In the simple colour black matt, the luminaire fits into any interior style. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment. ☒

Material construction

Metal · Black mat

Product dimensions

Height: 12cm
Diameter: 40cm
Weight: 2,055kg

Technical data

Light source: SMD – LED (integrated)
Watt: 29W
Lumen: 1x 3550lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF
