

Spot

LEON – 800700232

excl. 2x GU10 · max. 35W

- **Ceiling mounting**
- **IP20**
- **Lamp(s) not included**

Spots are not only perfect for highlighting accessories and furniture, but also as individual lighting in the hallway, bedroom or living area. The LEON series spotlight has a timeless look and provides pleasant illumination of the desired areas, not least due to the flexible alignment of the spot heads. The harmonious design in matt black gives it a modern appearance and can be smoothly integrated into existing furnishing styles. The use of an LED light source is recommended for energy-saving lighting. These are an excellent alternative to conventional halogen lamps and represent a high quality of light together with energy savings of up to 80%. With LED lighting, you also benefit from a long service life and low heat generation, while at the same time protecting the environment.
