The modern mix of metal and wood looks timeless and is absolutely on trend. The combination with natural materials has become an integral part of modern living spaces and also creates a cosy ambience. The 4-spot TOSH is therefore the ideal choice for creating the perfect lighting result in living spaces. The individual spots can be individually aligned and are therefore also suitable for illuminating specific areas. Metal in matt black together with the wooden elements can be found in modern and minimalist furnishing styles. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
