The WILL pendant light in an industrial look impresses with its sturdy design and attractive appearance. Whether with a normal LED bulb or a filament bulb, this pendant light is an ideal lighting solution for the kitchen or dining area. The concrete-coloured model of the pendant light emphasises the industrial look and fits perfectly into modern furnishing styles. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
